**AVID:**

Attention all LMS students! How would you like to increase your chances of being accepted into the college of your choice and, on top of that, receiving scholarships to pay for your schooling? If so, **AVID** may be the class for you! We are currently accepting applications for both the 7th and 8th grade **AVID** classes. If you are a student who works hard but could benefit from additional collaboration time and study groups, stop by the office to pick up an application or to get your questions answered.

Due to milk, gatorade, and juice spills, please no bottle flipping at LMS.

Lincoln Middle School has a balloon store! Stop by room 14 to place your order. 1 mylar, 1 latex, and a candy bar for \$5. Place orders before or after school or during lunch.

After school homework help is now available on Tuesdays and Thursdays from 3:30-5:00. Bussing to downtown elementary schools will be available. Mr. Blair and Mrs. Edens, along with AVID students, will be working in the Help Center. The Help Center is located in Rm 11.

Homework lab is open daily at 8:15 in room 11. Please enter from room 11's outside door in the front of the building. Look for the sign!

Students are not to be on campus until 8:30 unless they are at sports practice or attending homework lab.

LMS is a closed campus. Once you step on campus, you may not leave to go get coffee or go to the store.

All food and drink must be consumed in the cafeteria.

If you check a ball out from the office, YOU are responsible for returning it.
